90320 - 16 Gallon Gravit-Eye™ Portable Eye Wash

Sellstrom's Gravit-Eye™ is a self-contained 16 gallon gravity flow eye wash that delivers water through dual spray heads in case of an emergency. Water flow is simply activated by pulling down the yellow manifold. The tank comes complete with a wide-fill opening and threaded cap for quick inspection, cleaning and filling. The Gravit-Eye™ is ideal for use where a continuous supply of water is not available or in remote and low traffic areas where protective measures are still needed. Emergency eyewash stations shall be in unobstructed and accessible locations that require no more than 10 seconds for the injured person to reach.

Meets ANSI Z358.1 standard for Emergency Eyewash and Shower Equipment.

FDA grade high-density green polyethylene 16 gallon (60.6 L) tank.

.7 gallons (2.6 L) per minute over 15 minutes.

13 lbs. (5.8 kg) empty, 146 lbs. (66 kg) full

Made in the U.S.A.
